Leveling of Antologías

(An adaptation of the Fountas and Pinnel leveling system, from *The Continuum of Literacy Learning*)

METHODOLOGY

Beginner = This is for FLES Students. The amount of text increases with grade levels, but vocabulary and grammatical structures are equivalent to what is normally found in regular Spanish-for-Native-Speakers classes for grades 1–3. Readability: Fountas & Pinnel approximation equivalents ranging from level B to level O.

Intermediate = This is for Spanish-for-Native-Speakers (or advanced FLES students). It is equivalent to a native speaker grade-appropriate class. It begins at grade-appropriate level and cuts off at beginning of next grade level. Readability: Fountas & Pinnel approximation equivalents ranging from level B to level W.

Advanced = This is for Spanish-for-Native-Speakers. It is equivalent to a native speaker grade-appropriate class. It begins at mid grade-appropriate level and cuts off at mid-level of the following grade. Readability: Fountas & Pinnel approximation equivalents ranging from level G to level X.
