

For Spanish levels 1-4

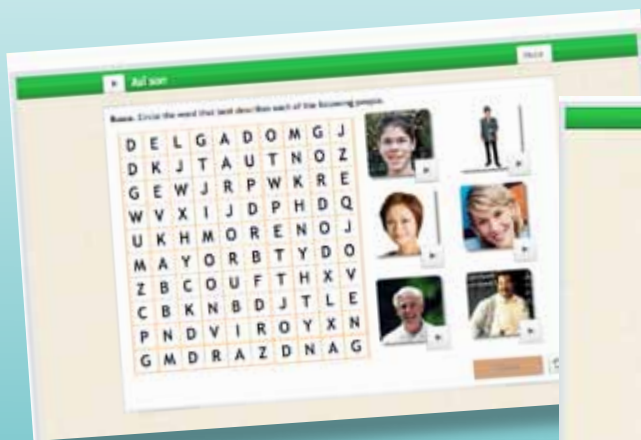

An excellent online tool to supplement your current Spanish curriculum.

¡A practicar! is a customizable online tool designed to help beginning to advanced Spanish students practice and reinforce **grammar, vocabulary, and communication** skills.

- Practice grammar, vocabulary, and communication concepts in authentic contexts with hundreds of interactive standards-based activities per level
- Reinforce specific skill areas with a wide range of listening, reading, and writing activities
- Provide additional support through grammar presentations, photo galleries, and flashcards
- Evaluate student progress with customizable online quizzes and tests: edit, add, and reorganize questions

### Ideal homework and test-prep tool

Thematic vocabulary presentation and carefully spiraled grammatical sequence allows for maximum flexibility and support.

Easily adapts to your existing curriculum

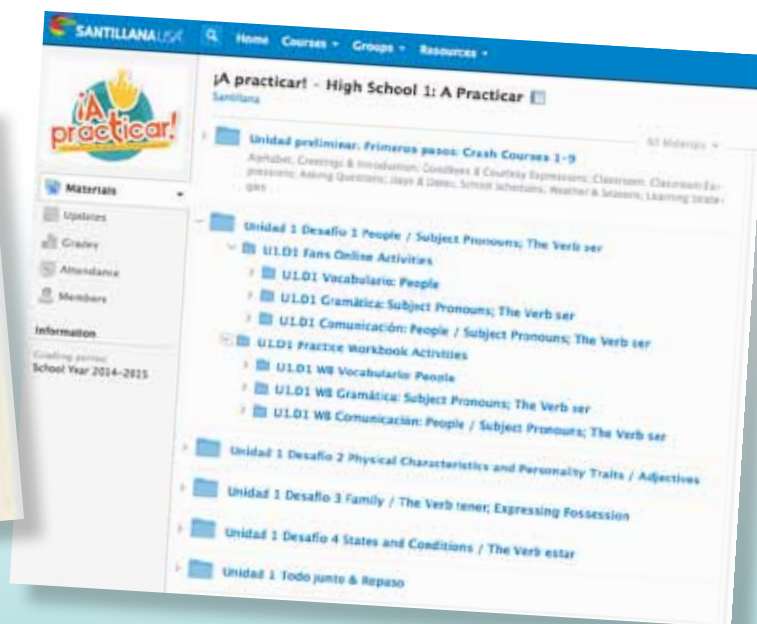

Added bonus! Dozens of *Mapa cultural* activities in every level give students a cultural portrait of Spanish-speaking countries and regions.

Support beginning through advanced level Spanish students with thousands of online vocabulary, grammar, and communication activities.
