

Clementine Chapter Books in Spanish

Sara Pennypacker

Clementina

(*Clementine*)

ISBN: 9789584516756

150pp | PB | \$12.99 | GRL: P

BISAC: JUVENILE FICTION /

Humorous Stories

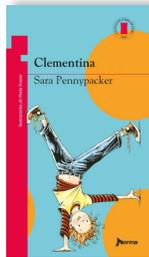

Clementine is an 8-year-old girl with unruly hair and a knack for breaking the rules. Her parents, the school principal, and her best friend's mother think she has ADD. However, she pays attention to things other people don't see. At times, she begins to worry because she hears that parents don't particularly like difficult kids. The first in a series, this volume explores concepts of friendship, respect and responsibility.

La carta de Clementina

(*Clementine's Letter*)

ISBN: 9789584524553

160pp | PB | \$12.99 | GRL: P

BISAC: JUVENILE FICTION /

Humorous Stories

Irreverent and adorable, Clementine is now in third grade and faces a dilemma. Should she try to prevent her teacher from winning a contest that will advance his career but send him far away, or should she do the right thing and help him? Clementine explores the importance of embracing those qualities that make us unique. This sweet story invites the reader to do the right thing foregoing any personal interests.

La talentosa Clementina

(*The Talented Clementine*)

ISBN: 9789584516763

150pp | PB | \$12.99 | GRL: P

BISAC: JUVENILE FICTION /

Humorous Stories

When the teacher asks the students to share their talents with the class, Clementine doesn't know what to do. What talent does she have? She is restless and curious, which some adults think is a sign of bad behavior and lack of attention. But in fact, Clementine observes precious details of her daily life. A book to work on children's self-esteem.

La auténtica Clementina

(*Completely Clementine*)

ISBN: 9789587766332

192pp | PB | \$12.99 | GRL: P

BISAC: JUVENILE FICTION /

Humorous Stories

Clementine doesn't want to leave third grade. The idea of being older and mature enough to face new challenges frightens her. But summer comes and things change... for the better! Another title to enjoy at home or at school, and laugh at all of Clementine's nonsense created by her innocent and unruly personality.
