

Para leerte mejor Series

Traditional stories presented
in a whole new way,
“Better to read you with!”

Folktales, fairy tales, and fables have regained an important place in the Elementary classroom thanks to the ELA-CCSS. This brand-new series gives K-2 students direct access to these classic stories, with a format and a reading level that is just perfect for them. The stunning illustrations engage young readers and provide visual content that also support the standards. All this, *Para leerte mejor!* (Better to read you with!)
