David J. Smith

¿Y si...? Una increíble forma de percibir la realidad

(If: A Mind-Bending New Way of Looking at Big Ideas and Numbers)

GL:
3-5

ISBN: 9786070128080

40pp | PB | \$14.95

BISAC: JUVENILE NONFICTION / **Science & Nature** - Astronomy
- Environmental Science & Ecosystems / **History** - General / **People & Places** - General

Author David J. Smith has found clever devices to scale down everything from time lines (the history of Earth compressed into one year), to quantities (all the world wealth divided into one hundred coins), to size differences (the planets shown as different types of balls). A great classroom reference that can be reached for again and again when studying scale and measurement, and also for math applications in other disciplines.

Sin refugio: Por un mundo más amable con los perros

(No Shelter Here: Making the World a Kinder Place for Dogs)

GL:
3-5

ISBN: 9786070129971

64pp | PB | \$15.95

BISAC: JUVENILE NONFICTION / **Animals** - Animal Welfare

Animal advocate and chartered biologist Rob Laidlaw explores the world of homeless, free ranging, mistreated, and exploited dogs, and the challenges they face. But more importantly, he focuses on the people he calls "dog champions"—those individuals, small groups, and professional organizations around the world who dedicate their lives to helping dogs.

El último viaje del doctor Korczak y sus hijos

(Mister Doctor: Janusz Korczak and the Orphans of the Warsaw Ghetto)

GL:
6-8

ISBN: 9786070129926

64pp | PB | \$18.95

BISAC: JUVENILE NONFICTION / **History** - Holocaust / **Biography & Autobiography** - Social Activists

This profoundly moving book is based on the true story of Polish educator, writer, and Doctor Janusz Korczak. His works inspired the Declaration of the Rights of the Child, adopted by the UN in 1959. With mood-setting artwork and lyrical text, this book allows young readers to meet the remarkable man whose humanity and bravery stand as a glimmer of light in one of history's darkest periods.

Totalmente humano

(Totally Human: Why We Look and Act the Way We Do)

GL:
3-5

ISBN: 9786070129896

56pp | PB | \$15.95

BISAC: JUVENILE NONFICTION / **Science & Nature** - Anatomy & Physiology - Biology - Chemistry

This book reveals the fascinating science behind our bodies and behaviors and how they link us to our ancient ancestors. What makes us human is cause for surprise. We retain some of the appearances and behaviors of our very ancient ancestors, including early mammals, amphibians, and fish. A child sized take on the scientific fields of evolutionary biology and psychology.
