BISAC: JUVENILE NONFICTION / **Science & Nature** - Earth Sciences - General

From the water they drink to the trees they climb, kids are connected to the natural world in big and surprising ways. With simple, poetic text and exquisite artwork, this book does more than introduce kids to these connections. It sparks their imagination. It starts conversations, and it delights all ages.

BISAC: JUVENILE NONFICTION / **Science & Nature** - Environmental Conservation & Protection - Environmental Science & Ecosystems / **Technology** - How Things Work-Are Made

We live in a time of heightened environmental awareness, and this knowledge is creating a generation of children with feelings of eco-anxiety—the world is doomed, isn't it? Maybe not. This book allays kids' fears by showing how all is not lost. Young readers learn that smart technologies, innovative ideas, and a growing commitment to alternative lifestyles are exploding around the world.
