Technology Tour

The *Descubre el español* elementary Spanish as a World Language program consists of fully integrated, standards-driven print and digital resources. All digital resources for each level are available online in the ***Descubre el español* eLearning Center, powered by the Schoology Learning Management System!** We welcome the opportunity for you to review our online materials.

There are many tools available to teachers using *Descubre el español's* eLearning Center to enhance communication with students, streamline reporting, and centralize all Spanish classroom resources.

Please follow the instructions below for an overview.

Request a free demo

Log on to descubreelespañol.com and select "demo".

Register, and you will be provided with an access code to review the *Descubre el español* Demo Course.

If you need help, our Technical Support Department is available Monday – Friday from 8 am to 5 pm EST.

Our Toll-Free Number : (844) 715-9586 (direct number) or E-mail: technicalsupport@santillanausa.com

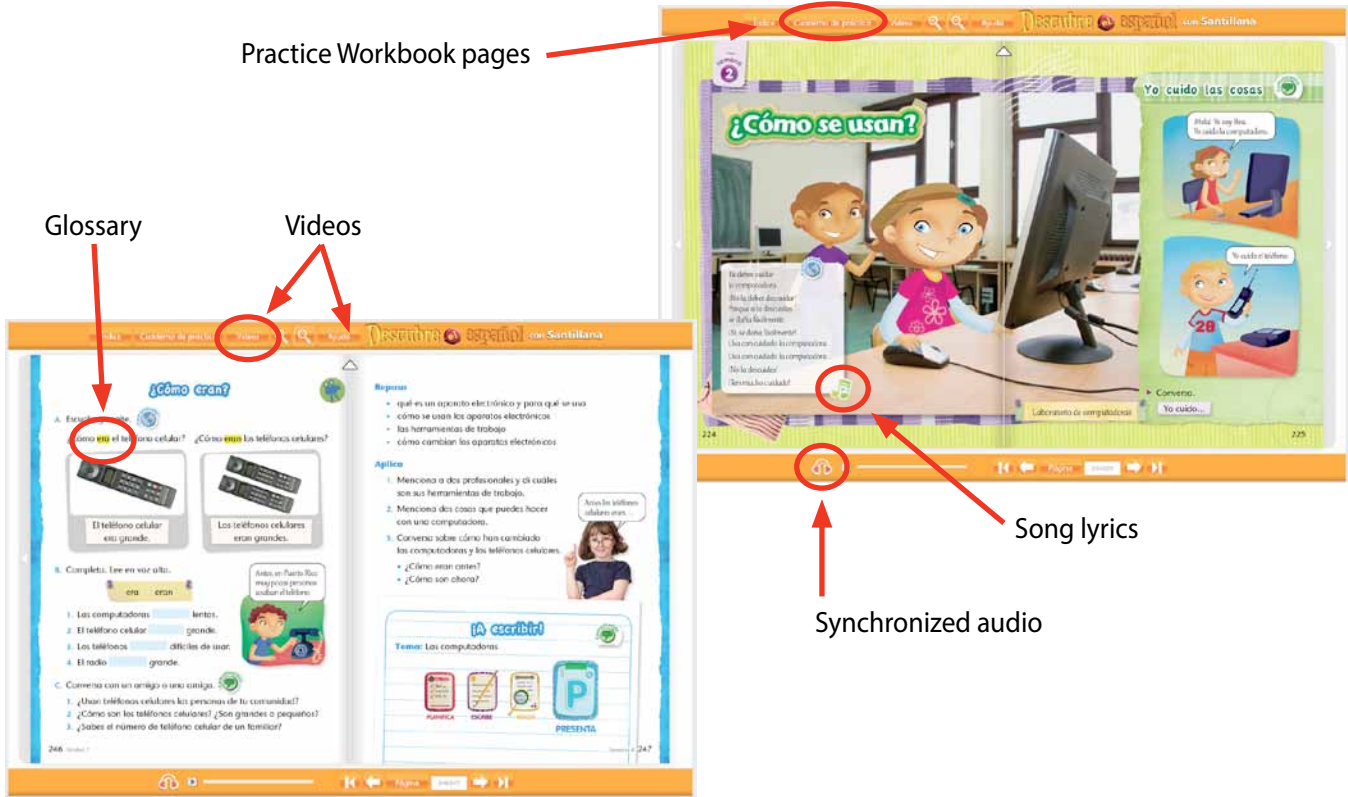

1. Once you've received your access code, log on to santillanana.schoology.com

2. Sign in (using the username and password you created), navigate to the top menu bar and click on the Courses tab.

3. Select the course name: **Santillana Demo Course 2016-2017**

4. Select the *Descubre el español* folder to view the eLearning Center resources for any level. Select the level of your choice.

    a. Core resources are organized within each of the 8 units (Unidad 1: Nos conocemos, Unidad 2: ¿Cómo vivimos?, etc.). For the purpose of this demo you are able to view unit 1:

        i. Student eBook - synchronized audio, videos, maps, glossary, song lyrics and Practice Workbook pages at point-of-use

Practice Workbook pages
