

SmartCenter™

SmartBook™, Fans Online Activities, Interactive Workbooks, grading and reporting tools and more!

The *Español Santillana* middle and high school Spanish as a World Language program consists of fully integrated, standards-driven print and digital resources. All digital resources for each level are available online in the **new *Español Santillana SmartCenter™*, available in any IMS-certified Learning Management System.**

There are many tools available to teachers using *Español Santillana's* eLearning Center to enhance communication with students, streamline reporting, and centralize all Spanish classroom resources.

We welcome the opportunity for you to review our online materials. Please follow the instructions below for an overview.
